**ACCOUNTANT'S COMPILATION REPORT**

To the Mayor and City Council  
City of St. Regis Park

I have compiled the accompanying Governmental Funds Balance Sheet of the City of St. Regis Park General Fund and Road Fund as of January 31, 2016 and the related Statements of Governmental Revenues and Expenses for the month and seven months then ended. I have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with accounting principles generally accepted in the United States of America.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

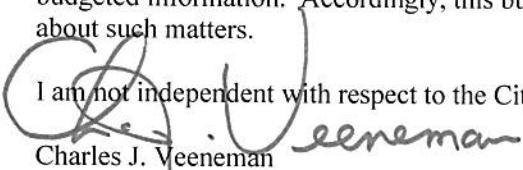

My responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

Management has elected to omit substantially all of the disclosures (and the statement of cash flows) ordinarily included in financial statements prepared in accordance with the cash basis of accounting. If the omitted disclosures were included in the historical financial statements, they might influence the user's conclusions about the City's financial position, results of operations, and cash flows. Accordingly, these historical financial statements are not designed for those who are not informed about such matters.

The accompanying annual budget of the City of Saint Regis Park General Fund and Road Fund for the year ending June 30, 2016, has not been compiled or examined by me, and, accordingly, I do not express an opinion or any other form of assurance on it.

Management has elected to omit the summaries of significant assumptions and accounting policies required under established guidelines for presentation of prospective financial statements. If the omitted summaries were included in the budgeted information, they might influence the user's conclusions about the Company's budgeted information. Accordingly, this budgeted information is not designed for those who are not informed about such matters.

I am not independent with respect to the City of St. Regis Park.
