CITY OF ST. REGIS PARK NEWSLETTER December 2016

Number 12

Dear Fellow Residents:

I want to extend a special thank you to St. Regis Park resident **Jaclyn Mullin** for introducing our City to the **Little Free Library** concept. The purpose is to promote literacy and the love of reading by building free book exchanges worldwide and to build a sense of community as we share skills, creativity and wisdom across generations. There are nearly 40,000 **Little Free Library** book exchanges around the world, bringing curbside literacy home and sharing millions of books annually. Ms. Mullin will coordinate the purchase and installation of the City's first "**Take a Book; Return a Book**" exchange at the Church of the Ascension.

Boy Scout Troop 386 annually sells live **Christmas Trees at St. Andrew United Church of Christ, 2608 Browns Lane**. Sales run from **November 27 through December 18**. If you're going to purchase a cut tree, support the **Boy Scouts of Troop 386**. Proceeds go for summer camp, adventure trips and camping gear.

The annual **ST. REGIS PARK HOLIDAY EXTRAVAGANZA** will be held on **Sunday, December 11, from 4:00-6:00 p.m.** at **St. Andrew United Church of Christ**. Door prizes, refreshments, a visit from Santa and good old family fun and fellowship will occur. In addition, the City will again sponsor what has become an annual **HOUSE DECORATING CONTEST**. Once more there will be three categories: **Best Traditional Home, Most Creative Home and the infamous Clark Griswold Award**. Although judges will be looking for "**tastefully**" decorated homes in the first two categories, the **Clark Griswold Award** is an all out, no holds barred contest. The winner in each category will receive a **\$200 gift card**. **Decorate your home by Friday, December 16, to be eligible to win.**

As we approach the holidays, this is a great time for loved ones and friends to gather and reflect on the year gone by. The holidays are a time to celebrate the coming year with hope and enthusiasm, and most importantly, the holidays provide us the opportunity to be thankful for what we have and to support those less fortunate.

On a personal note, I am thankful to our City staff and Council Members, all of whom are committed to working together to make a positive and lasting contribution to the City of St. Regis Park. I am indeed fortunate to serve with such dedicated individuals who truly care about our community. Thanks to them, the year ahead promises to be a positive and exciting one for our City. I am confident that together we will continue to achieve great things.

On behalf of the City of St. Regis Park, I extend my warmest regards and best wishes to everyone in our City. May the spirit of this wonderful season be with you and your loved ones throughout the holidays, and many blessings in the New Year!

***Remember, the City of St. Regis Park is a great place to live!
Together, we can make it even better!***

Sincerely,
Brandt Davis, Mayor

SHOPPING TIPS

The holidays are upon us! Whether we're shopping for groceries, Angel Tree gifts, or a book for the elementary school program, we're all out there during the holiday season. We can often become so distracted by the lists in our heads, kids at our heels, and work left undone that we lose sight of our personal safety. You may have read them before but a refresher is always a good idea. Here are a few things to consider:

BE AWARE OF YOUR SURROUNDINGS.

Look for suspicious persons and unusual activity. Walk with authority. Don't look like a victim.

MAKE A NOTE WHERE YOU PARK.

Park near a light pole so that it lights the area should you return in the dark. Have your keys ready.

DON'T OVERBURDEN YOURSELF WITH TOO MANY PACKAGES.

Take a shopping buddy with you and secure your purchases in your car – concealed. Move your vehicle to another area of the parking lot in case someone was watching you place your packages in your vehicle.

DON'T HESITATE TO ASK FOR A SECURITY ESCORT IF YOU FEEL UNSAFE.

The time it takes to wait for the escort is always worth your safety.

BE AWARE OF STRANGERS APPROACHING YOU FOR ANY REASON.

At this time of year, con-artists will use lots of different methods to divert your attention and get away with your belongings.

ALWAYS TRUST YOUR INSTINCTS! SEE SOMETHING, SAY SOMETHING!

BE SAFE THIS HOLIDAY SEASON!

BRANCHING OUT

What a sunny and beautiful Autumn we are having! It's been great for getting outside and enjoying the gorgeous tree color, but after a relatively wet Spring and Summer, we are now in almost drought conditions. Please keep your new and established trees appropriately watered.

Speaking of water, if your "new" tree is now two years old, but your tree bag is still good, please drop it off on the back porch of 2602 Aintree Way. We will re-use it for the next generation of new trees.

Fall is also a good time to make sure your tree is still mulched. It is not necessarily a good idea to plant flowers under your new tree — they will compete for vital water and nutrients while your tree roots are still close to the surface. Also, remember: Don't make your mulch look like a cone — just a nice flat layer of 2-4 inches of mulch, stopping within two inches of the tree trunk to allow it to breathe.

If you are going to purchase a live Christmas tree to plant in your yard after Christmas, please keep it well watered while it is inside and plant it as soon as possible, following directions you should be able to find easily online.

Our Fall tree planting is happening very soon — we hope you will stop and read the tags to see the amazing quality and variety of our new trees! As we celebrate Thanksgiving, we are grateful for our forward-thinking Mayor and City Council and our wonderful citizens who have supported our new tree planting and maintenance programs. RE-TREE THE PARK.

INFORMATION TO IMPROVE HOMEOWNERSHIP

IT'S NOT FAR, IF YOU KNOW THE WAY

“It’s not far, if you know the way.” What this expression implies is that you could have a long way to go if you don’t know where you’re going or how to get there. Just like reading a map, there are some definite steps that will improve your success in buying a home in today’s market.

- **KNOW YOUR CREDIT SCORE** – the best mortgage rates are available to borrowers with the highest scores. Unless you know what your credit score is at all three major credit bureaus, you don’t really know what you’ll have to pay.
- **CLEAN UP YOUR CREDIT** – it is estimated about 90% of credit reports have errors. Some are not serious but others could affect a borrower from getting the loan they want. It is your responsibility to know what is on your different reports and correct them if possible. You’re entitled to a free copy of your credit report each year from Experian, TransUnion and Equifax.
- **GET PRE-APPROVED** – taking the time to make a loan application with a qualified lender even before you start looking at homes will provide peace of mind, make sure that you are looking for the “right” homes and may help you negotiate the best price on the home you select.
- **DO YOUR HOMEWORK** – when you find the home that meets your needs and desires, get the home inspected and research the tax assessments, school ratings, crime activity, possible zoning changes and comparable sales in the area.

Call for a recommendation of a trusted mortgage professional and an inspector.
Make certain you know the **TRUE VALUE** of your home **before** listing it for sale.
Consult a professional.

Independent Auditor's Report

The Honorable Mayor and
Council of the City of
St. Regis Park, Kentucky

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities and each major fund of the City of St. Regis Park, Kentucky as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Independent Auditor's Report (continued)

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the City of St. Regis Park, Kentucky at June 30, 2016, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's budgetary comparison information on page 18 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Government Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted the Management's Discussion and Analysis that accounting principles generally accepted in the United States of America has required to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Government Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 19, 2016, on our consideration of the City of St. Regis Park, Kentucky's internal control over financial reporting and on our test of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the result of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the City's internal control over financial reporting and compliance.
