CITY OF ST. REGIS PARK NEWSLETTER May 2018

Number 5

Dear Fellow Residents:

I hope that this finds you all doing well. It definitely seems spring is here to stay this time. I am so thankful for that! The council and I have been really busy already this year, so let me get you updated. First, I would like to thank Bob Graves and Talbott Allen for their many years of service. Both council members have resigned their positions. As many of you know, Talbott has served the city in many capacities including mayor, clerk, council member and citation officer. Bob has served as both a council member and the city clerk. Most recently, Bob was the main reason that the monthly newsletter had been transformed in such a radical way. I would like to thank Talbott Allen and Bob Graves for all that they have done to advance St. Regis Park.

John Amback and Kacy Noltemeyer are our newly appointed council members that have replaced Bob and Talbott. They will have big shoes to fill, but they are definitely up to the challenge. They have already caught on quickly and will quickly fill the gaps. Mr. Amback will be helping with the monthly newsletter and Ms. Noltemeyer will be overseeing special events. Please help me in welcoming our newest councilmembers, John Amback and Kacy Noltemeyer.

As some of you may have heard, the McMahan Fire Department is merging with the Jefferstown Fire Department. I don't believe this will affect St. Regis Park in any way, but I will definitely keep you all posted as I learn any new details.

Next, I am excited to announce that Louisville Parks and Recreation will host **Free Wednesday Night Movies** and Kids Activities at Des Pres Park. The monthly movie series and fun kids' activities will begin May 16, and run through October 3. Please help promote the series by posting to your individual Facebook pages, other social media platforms and sharing with neighbors via word of mouth. Assuming it is a big success, I am hopeful it will continue in future years. What a great asset it is for us as residents of St. Regis Park. This is the first year the series will be at Des Pres Park. We want to encourage everyone to come out and enjoy this fun-family-friendly event! Des Pres Park is located at 4709 Lowe Road. Hope to see you there!

Finally, as new people move to our city this spring, please reach out and introduce yourself to new neighbors and make them feel welcome. If any of our new residents

would like to learn more about our "Re-Tree the Park" campaign or any other city services, please contact us or visit stregispark.net. You may also follow us at [facebook.com/stregispark](https://www.facebook.com/stregispark).

Remember, the City of St. Regis Park is a great place to live. Together, we will make it even better!

Sincerely,

Brandt Davis, Mayor

Brandt Davis

INFORMATION TO IMPROVE HOMEOWNERSHIP EASIER TO PLAY THE GAME

It's much easier to play the game when you know the rules so you can avoid mistakes that may keep you from winning. Homeownership isn't a game but there are some rules that will protect your investment and increase your enjoyment.

Most people want a home of their own to raise their family, share with their friends and to feel safe and secure. In most cases, it is also their largest asset. These suggestions can help protect your investment and make homeownership more enjoyable.

- Don't overpay for your home.
- Maintain your home to protect its value.
- Minimize your assessed value to lower your property taxes.
- Make extra contributions to save interest and build equity.
- Validate the insured value of improvements and contents.
- Be aware of current surrounding property values.

- Make mortgage interest payments deductible.
- Invest in capital improvements that increase market value.
- Don't over-improve the neighborhood comparables.
- Keep records of capital improvements and other maintenance.

If you need assistance with any of the items mentioned above or need a recommendation for a service provider, consult your attorney, financial advisor or a real estate professional.
