CITY OF ST. REGIS PARK NEWSLETTER July 2021

Number 7

Dear Citizens,

I hope this finds all of you doing well. I am so excited to see things starting to return to normal. So many places are opening up and it is so nice to get out and about and see people. Our July council meeting will finally be in person again. As usual, we will be meeting at the Jeffersontown Fire House on Taylorsville Rd. at 7 p.m. on July 6, 2021.

As July 4th approaches, we are asking for any volunteers that would like to place the flags in the front yards throughout the city to email councilman Louie Schweickhardt at louieschweickhardt@stregispark.net. I know many people do this each year and really enjoy doing so. Some people even make it a family event. I really appreciate Louie organizing this each year to show our City's Patriotic pride and all of the volunteers that help.

Also regarding the 4th of July, I would like to remind everyone to obey the Jefferson County laws and ordinances regarding fireworks. The laws and ordinances will be strictly enforced.

Regarding any summer picnics, gatherings, etc. Please remember that the city requests the use of "No Parking" signs to be placed on one side of the road. This allows for the smooth flow of traffic. There is no charge to use the signs. We kindly ask that you just return them promptly and in the same condition as when you borrowed them. Please contact councilman Louie Schweickhardt at louieschweickhardt@stregispark.net to coordinate getting the signs and returning them.

As summer is approaching and the nicer weather has shown up, I have heard some complaints of neighbors or their mowing companies mowing yards prior to 8 a.m. Please be considerate of your fellow neighbors and make sure that you or your mowing service don't mow your yard prior to 8 a.m. Also, please make sure

while you are out for walks, that you are walking facing the traffic. With the increase in walking, we would like to make sure every stays safe.

Last, but not least, it looks like we'll ultimately be able to have our annual City Yard Sale again. This will take place on September 11, 2021 beginning at 8:00 AM. As usual, it is the first Saturday after Labor Day.

Remember, the City of St. Regis Park is a great place to live! Together, we will make it even better!

Sincerely,

Brandt Davis, Mayor

St. Regis Park Citywide Yard Sale
Saturday, September 11th
8 am until ??

**Police Officers will enforce traffic regulations
and extra police will patrol this day!**

ST. REGIS PARK CITY-WIDE YARD SALE SATURDAY, SEPTEMBER 11, 8:00 AM-?

RECOMMENDATIONS FOR YARD SALE DAY

IF YOU ARE PARTICIPATING

-----Try to set up in your driveway or yard close to the street to be more visible.

-----Please park your personal vehicle further up in your driveway so that you do not take space on the street in front of your house and thus help keep the area on the street in front of your home open for traffic and allow parking for buyers coming from outside the City. Any suspicious behavior should be reported immediately, so if possible, have a cell phone nearby.

-----People come early, so plan to set up as early as possible.

-----Extra police will patrol that day. For any problem, contact them immediately and try to get the license plate number and a car description of an offender's vehicle.

-----Join with neighbors and hold a multi-house sale at one location for a larger sale.

IF YOU ARE NOT PARTICIPATING

-----Please park your vehicle(s) off the street, but close to the street to avoid your driveway being used as a turn around point.

-----Report any suspicious or unusual activity to the police patrolling the City during the yard sale.

-----If possible, keep your garage door closed during the hours of the yard sale so that it will not attract attention.

There will be *NO PARKING* on the sides of the streets where fire hydrants are located. "No Parking" signs will be posted on the previous Thursday evening. Police patrols will ticket those vehicles who do not comply.

BRANCHING OUT

July, 2021

It's mid-June as I write this, and 90 degrees again! While we have had good rains this month, we all need to keep track of our trees and ensure they have appropriate water and mulch all summer. I particularly remind the recipients of city-planted trees that part of your agreement is to keep your trees properly watered and appropriately mulched.

Looking back on our lovely Spring, I suspect all of us can remember the exquisite look of our dogwoods this past April. Longtime resident and even longer-time landscape artist Dave Baron emailed the tree board to comment that our dogwoods this year made him think of his childhood in Audubon Park. I suspect he was not the only one to imagine what a few more dogwoods in front lawns might do for our city's arboreal beauty!

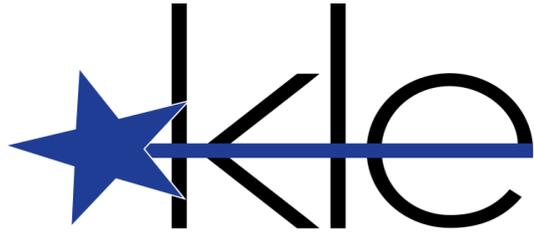

Dave suggested that the city might want to focus on adding dogwoods to front lawns—maybe 25 trees each year for the next five years. The tree board was intrigued and took the suggestion to the city council. Their consensus was to make you aware that you could request a dogwood for your front yard, to be planted this Fall.

Planting traditional “Kentucky” dogwoods is not without risk. Dogwoods are prone to two different fungal issues, according to our consulting arborist, Cindi Sullivan, and she has actually advised people against planting them, suggesting instead Kousa Dogwoods or hybrids. That being said, both conditions that attack dogwoods are treatable. So our caveat to a request for a dogwood is that you only ask for one if you are willing to educate yourself and treat the tree, if needed. One council member suggested that the city might help pay for that treatment, but nothing official was decided. To request a dogwood, use the normal form and procedure, contacting smesserschmidt4313@gmail.com. The deadline for applying for a tree of any variety for this Fall is October 15th. We hope to have the trees planted by Thanksgiving.

Enjoy the shade of your large trees, and remember—maintain them for proper health. The city will reimburse you 40%, up to \$500 per year, but only IF you follow our maintenance procedures, which include getting TWO BIDS from one of the arborists on our reference list. Contact joerunjoe@gmail.com to learn more about the reimbursement program.
