CITY OF ST. REGIS PARK NEWSLETTER March 2022

Number 3

Dear Citizens,

I hope this finds all of you doing well. Our next Council meeting will be Tuesday March 1st at 7:00 PM at the Jeffersontown Fire Station #2 4318 Taylorsville Road.

The month of March brings many reasons for optimism. Temperatures should slowly rise as the signs of spring start to emerge. Daylight Savings Time begins on the 13th and winter officially ends on the 20th.

With the change in the season, St. Regis will continue to make progress with our infrastructure. The street curbs and storm drains that help channel rainwater away from our yards and driveways and add value to our city are being replaced on an as-needed bases. AT&T plans to resume its fiber optic work, and you'll begin to see improvements to the city's signage and light poles.

Upper Highlands Swim Club is progressing full steam toward opening their pool this summer. Please take a moment to visit their Facebook page for all the details. If you have management or people skills, then consider serving the neighborhood by volunteering there. They are looking for civic minded individuals to join their team and would love to have you be a part of their renaissance!

Another way to invest in the well-being of our community is by placing an advertisement in the St. Regis Park Newsletter. It's an inexpensive and hassle-free way to get the word out about your business or organization. By doing so, it also encourages community cohesiveness and neighborly friendships. Please consider placing an ad and remember to "Keep it Local" by supporting our advertisers.

Want a new tree? Then simply fill out the application in this newsletter by March 15th. Don't delay or you'll have to wait until the fall/winter cycle for our city to plant in your yard, free of charge, the tree of your choice.

As the season progresses, we'll keep you informed with details about this April's return of our ever-popular "St. Regis Park Easter Egg Hunt" and "Arbor Day Celebration".

Remember, be a good neighbor, keep your place tidy, and Slow Down!

The City of St. Regis Park is a great place to live. Together, we will make it even better.

Sincerely,

Brandt Davis, Mayor

Brandt Davis

BRANCHING OUT

March, 2022

First, I want to thank Rosemary Miller for a wonderful note she sent to the Tree Board, thanking us for what we do, and sending us a lovely picture of the Fall color of one of our beautiful older trees. Unfortunately the newsletter can't print photos in color, so we'll just use our imaginations and say thank you! Rosemary's note was in response to my request for citizens' tree stories. We are always open to sharing our Branching Out space with any of you wishing to talk about trees! Just send your story to msmsattingly@outlook.com

Next, I want to remind you that, with our standardized tree request dates, we are approaching the March 15th deadline to request a new tree this Spring. Send your request form to smesserschmidt4313@gmail.com While there is snow on the ground, there is nothing like dreaming of a new shade or ornamental tree.

Third, I want to remind you that when the leaves return to your trees, you can contact providers about trimming or treating your existing trees. If you wish to participate in our tree maintenance refund program, please contact joerunjoe@gmail.com

Finally, we have a Save the Date for you! Our annual Arbor Day celebration will, for the second year in a row, be A Walk Through the Park! On Saturday morning, April 23rd, we will meet at 10 AM, as we did last year, but we hope without the rain, to walk through a mile or less of the city to see some of our beautiful established trees. We plan to start at the corner of Lincoln and Woodmont, but we will get more details to you later.

Enjoy what we hope are the closing days of Winter, and Think Spring!
