# CITY OF ST. REGIS PARK NEWSLETTER June 2023

Number 6

I hope this letter finds everyone enjoying the nice weather while we still have it. As we know, the dog days of summer are upon us. Schools have let out for the summer and pools are opening. For those of you who are not already members of our local Upper Highlands Swim Club, I would encourage you to check it out. My siblings and I had so many memories of that pool growing up. I spent countless hours there connecting with many friends I still have to this day. It is an asset to our neighborhood and will be moving forward as long we continue to support it.

The May council meeting was a productive one. The first reading of our budget, which starts in July, was reviewed. The few changes included an increase in our allowance for snow removal to include salting all the streets next year pending snow and ice events. We have also included the necessary funding for road paving, which we anticipate happening next spring for the roads with the most deterioration. With that in mind, we also discussed the current tax rate needed to cover our budget. The council voted to keep our tax rate the same for this year at .095 and sanitation will be \$335.45/household.

Due to recent concerns from several residents, changes have been made to our ordinance regarding driveways. The council approved the first reading of a revised ordinance which no longer allows "new" proposed driveways to be installed from the front face of the "main" house out to the street including wrap around driveways. If you are considering a driveway that falls outside of our ordinance parameters, you must obtain a variance from the city. Please make sure you contact the city if you are considering any type of project before you start. A letter of compliance is required for all projects. If the project does not meet city ordinances, you must have a variance from the city.

Finally, we will be putting out American flags in all yards for July 4th again this year. This is a unique decoration our city does each year. I have so many gracious volunteers who help put them out every year.

If you would like to help with the flags this year, please email me @[louie.schweickhardt@stregispark.net](mailto:louie.schweickhardt@stregispark.net).

This takes very little time and if you have kids, they usually enjoy doing it. Also, this could provide a service hour requirement for your child's school.

Sincerely,  
Louie Schweickhardt
