

Volume 26

CITY OF ST. REGIS PARK NEWSLETTER January 2024

Number 1

Welcome to 2024 everyone. The council members and I would like to wish you the safest and most prosperous new year yet!

2023 was a productive year for St Regis Park. We nearly completed the usage of our ARPA funding with curb upgrades and will deplete those funds with a drainage project scheduled this spring at the end of Lincoln Rd. LED street light upgrades and new signs for the entrances to the neighborhood have added additional cost savings and curb appeal. Our tree canopy continues to grow each year due to new trees being planted and our existing tree maintenance reimbursement program.

We have more in store for 2024. Spending will go to street repaving in areas needing the most attention. We will also repaint some street sign poles that have chipped away, along with other upgrades wherever needed.

Unfortunately, 2023 saw the passing of David Schneidtmiller Sr. on December 5th at the age of 85. David was a nearly 40-year resident of St Regis Park and served as mayor of our city in the 80's and early 90's. While raising 4 children with his wife Marge, he was an active member at Ascension and coach for baseball, basketball, and softball teams there. Our condolences go out to the Schneidtmiller family along with many thanks for David's contribution to our city.

As most of you are aware, residents along Foxy Poise and Sir Johns were evacuated from their homes on 12/20 due to a fuel tanker truck accident on I-64E. Thankfully no one in St Regis was hurt or experienced property damage. We would like to thank Louisville Fire and LMPD for their help getting residents to safety and arranging shelter during this time. With that in mind, I did receive calls from residents who were unaware of what was happening and were curious if the evacuation affected their home.

For those of you who have not signed up, or are new to the city, we would like to let you know that we

employ a "Reach Alert" service to get the word out to as many as possible. Please see the flyer enclosed regarding sign-up instructions for Reach Alerts. The registration process is extremely easy. The service will send you text, email, or voice call notifications when we need to get critical information to you. I would encourage everyone to sign up as soon as possible.

Sincerely,
Louie Schweickhardt
Louie Schweickhardt

TREE CITY USA®

BRANCHING OUT

Happy New Year! The whole season from Thanksgiving to Valentine's Day is filled with lovely thoughts and actions, hope, and gratitude. In keeping with those positive sentiments, I want to look backward and forward with gratitude and hope for St. Regis Park, our own Tree City USA!

Thank you to all of you who have planted new trees (19 in December) or cared for your existing trees. Your altruism and forward thinking in planting trees has helped you, your neighbors, and all the Earth.

Thank you to those who participated in our maintenance program. Your professional tree trimming, limbing up, and doctoring treatable tree diseases have helped us maintain our mature trees—one of our city's special treasures.

Thanks to those who walked with us on Arbor Day and listened to our enthusiastic blathering on about trees.

Thanks to Susan Messerschmidt, who keeps our new tree list, patiently listening and negotiating as residents try to determine the perfect tree for their home.

Thanks to Joe Hinkle who handles the maintenance program paperwork with skill and timely responses.

Thanks to Cindi Sullivan, our consulting arborist, for balancing residents' requests with her knowledge of what trees would improve St. Regis Park.

And finally, a big thank you to Mayor Louie and the entire city council. Cindi tells me we are one of the few cities in Kentucky still fulfilling the requirements to remain a Tree City USA. We could not do it without the policy guidance and monetary support of the mayor and council.

We are proud of our efforts, but always hoping for more. Let us help you care for your existing trees, plant new ones, and answer questions about how to best build a tree canopy in the coming year.

Keep taking pictures and sending them to me at msmattingly@outlook.com We want to see your beautiful trees and stands of trees in all four seasons so we can perhaps make you one of our 2024 Tree Heroes! (Be sure to include your name and address, and the species of tree, if you know)

Happy New Year from your SRP Tree Board and consulting arborist,

Joe, Susan, Mary, and Cindi
