CITY OF ST. REGIS PARK NEWSLETTER April 2024

Number 4

I would like to start off wishing everyone a happy spring! We have made it through another winter and if you are like me, looking forward to Derby, graduations, weddings, and other fun events.

For those of you new to the neighborhood, the city has "No Parking This Side of Road" signs available if you are planning a large gathering at your home. This will keep cars on one side of the street allowing traffic to flow much better. Please reach out to us if needed and we will deliver the signs for your event.

As the weather warms to summer temps you will undoubtedly be looking for a place to cool off and relax in the sun. Upper Highlands Swim Club is now enrolling new members. If you are looking for a fun place to hang out and take the kids this summer, please consider Upper Highlands. "The pool" has been an asset to our neighborhood for decades. I can't tell you how many hours I spent there while growing up, and the lifelong relationships that were built there.

Thank you to everyone who attended the Easter Egg Hunt this year. The kids seemed to have a great time picking up the eggs, collecting prizes, and meeting the Easter bunny. I would like to thank council member Cheryl Willett for planning the event, and the other council members who helped set up and spread eggs. It was a success!

For those of you not aware, the city allows the use of golf carts on our streets as long as certain restrictions are met. Golf carts are illegal on most metro streets, but our 4th-Class city status allows us to pass ordinances permitting their use. If you own or intend to own a golf cart, please make sure you read the ordinance before using. Golf carts must be inspected by Metro authorities and registered with St Regis Park before use. They must function much like a vehicle with features such as seat belts, turning signals, brake lights, headlights etc. Normal traffic laws apply which means only licensed drivers can operate so children cannot drive golf carts on the streets. Your cooperation is greatly appreciated.

Finally, please join us April 20th at 10:00 for the annual Arbor Day "Walk in the Park." Please see the enclosed flyer for details. You will have a good time meeting your neighbors and learning about the city's trees as we celebrate our 9th year earning the Tree City USA designation.

Sincerely,
Louie Schweickhardt
